Hon Commissioner

Sir

I have the honor to transmit
herewith a census of the

Moguis Pueblos Indians

The inhabitants of Oraibi do not
have any intercourse with whites
that they can avoid and
it is impossible to take a
census of them. Their number
is therefore estimated and is
nearly correct.

DEPARTMENT OF THE INTERIOR,

CENSUS OFFICE,

WASHINGTON, D. C., May 1, 1890.

Mr. THOMAS DONALDSON, of Philadelphia, Pennsylvania, has been appointed, in compliance with law, as the Special Agent of the Census Office in charge of the special enumeration of Indians living within the jurisdiction of the United States, together with such information as to their condition as may be obtainable.

The following schedule is prepared in pursuance thereof, and agents who are to enumerate the Indians will be held to a strict compliance with instructions herein, and every question, when possible, must be answered. Use black ink in answering questions. If the blank space in the schedule following a question is not sufficient, write the answer on a separate sheet of paper and attach it to the schedule, referring both to the number and form of question. Write on one side of the paper only. Where an agency embraces several reservations or tribes (as many do) a schedule must be made and filled up for each tribe. The questions relating to the agency will be made on one schedule. Where there is but one tribe in the agency, it may be done upon the same schedule. In enumerating Indians belonging to agencies, reservations, or tribes, enumerators will enter those temporarily absent from any cause; but where Indians have voluntarily abandoned their tribes or reservations the general census enumerators have been instructed to enroll them, and special return of such will be made to this office by the supervisor of census for the district in which they live. Special agents for Indians are not to enumerate such.

The school schedule inclosed will also be filled by the special agents for Indians, where such schools exist, for the fiscal year ending June 30, 1890, and returned to this office immediately thereafter. This schedule must be prepared and returned to this office before August 1, 1890.

The whole purpose of this work is to get as full and detailed a census of the Indians as possible, and this office asks the hearty, intelligent, and prompt aid of all of its agents and enumerators to this end.

Blanks for enumerating the whites or others connected with or residing on the several Indian reservations will be forwarded, and they will be filled out and returned by the enumerator for each reservation or tribe.

Please acknowledge receipt of this schedule as soon as received.

Very respectfully,

ROBERT P. PORTER,

Superintendent of Census.

U. S. INDIAN SERVICE,

NAVAJO AGENCY,

Fort Defiance, Arizona, May 27, 1898.

The Commissioner of Indian Affairs,
Washington, D. C.

Sir:

Referring to Office letter of the 18th instant, "A", 1898, advising the Acting Agent to comply with instructions contained in Office letter of June 11, 1897, instructing him to prepare a Census of the Indians belonging to this Agency, will say in reply that such a procedure is impossible without incurring considerable expense.

These Indians are nomadic, roaming over this entire southwestern country, including Colorado, Utah, New Mexico & Arizona. No Census has been taken for years, of them.

Very respectfully,
